

TECHNICAL DATA

BRICOEASY Glue Stick

Product description

BricoEasy Glue Stick is especially suitable for crafts, scrapbooking, etc.

BricoEasy Glue Stick sticks paper, card and cardboard without smearing or staining through.

Technical characteristics

Appearance: white stick of solid glue

Open time: 1 – 10 minutes, depending on the amount of adhesive applied

Applications

- Clean and simple application
- Solvent-free, suitable for school use
- Pasting trading cards, postcards, photographs, fabric and papers of all kinds
- For children and adults

Instructions for use

- Surface preparation:

Mating surfaces must be clean and dry, free from any dust or grease.

- Application:

Apply a thin, uniform layer of BricoEasy Glue Stick to each of the surfaces to be bonded.

Join the two surfaces, pressing for a few seconds.

Remove excess glue with a damp cloth.

Dissolving and cleaning

Freshly-applied product may be removed using a cloth dampened with water.

Storage

Store the product in a cool, dry place in its original closed packaging at a temperature of between 5°C and 25°C. This product has an average life of 60 months.

Safety precautions

This product is classified as non-hazardous according to Directive 1999/45/EC and Regulation (EU) 1272/2008.

More detailed instructions are given in the relevant product safety data sheet.

The user shall take ultimate responsibility for determining the final suitability of the product in all types of application.

The information given in this Technical Data Sheet should never be considered as a specification of the product's properties.

We guarantee the uniformity of the properties of our products in all supplies. The recommendations and information published in this technical data sheet are based on our current knowledge and rigorous laboratory tests. Due to the many variations in each project's materials and conditions, we ask our customers to conduct their own tests of utility under the expected working conditions and following our general instructions. This will avoid any subsequent damage, for the consequences of which the company is not responsible.
